CAREER OBJECTIVE

Motivated Full Stack Developer with strong expertise in modern frontend technologies such as JavaScript, React.js, and Next.js. Passionate about building clean, user-friendly, and responsive interfaces while continuously developing full stack capabilities. Seeking opportunities to grow as a professional web developer through real-world projects and learning.

SKILLS

- **Frontend:** React.js, Next.js, JavaScript, Tailwind CSS, Responsive Design
- **Full Stack Essentials:** Node.js, Express.js, REST APIs, MongoDB (Basic), Authentication (NextAuth / Firebase)
- **Tools & Technologies:** Git & GitHub, Firebase, Postman, npm, Vercel, Netlify, VS Code
- **Other Skills:** Problem-Solving, Clean Code, Debugging, Communication, Team Collaboration

PROJECTS

FinEase – Personal Finance Management System | [Live Link](#) | [Client](#) | [Server](#) |

A responsive and intuitive finance tracking platform that enables users to manage income and expenses efficiently through a streamlined interface.

Tech Stack: React.js, Tailwind CSS, Firebase Auth, Node.js, Express.js, MongoDB, JWT, Netlify Deployment

Key Features:

- Developed a responsive finance management dashboard for adding, updating, deleting, and categorizing transactions.
- Implemented secure authentication with protected routes and persistent user sessions.
- Added sorting & filtering options for clear record organization with real-time UI updates.
- Designed clean, mobile-friendly layouts ensuring smooth performance across devices.

GadgetShop – Modern E-Commerce Web Application | [Live Link](#) | [Client & Server](#) |

A modern e-commerce web application where users can browse gadgets, view detailed product information, and explore a smooth, responsive shopping interface. Includes an admin dashboard for managing products with full CRUD functionality.

Tech Stack: Next.js 16 (App Router), React.js, NextAuth, MongoDB & Mongoose, Tailwind CSS, Vercel Deployment

Key Features:

- Built a modern e-commerce platform enabling users to browse products, view detailed pages, and enjoy a responsive shopping UI.
- Implemented secure authentication with protected routes, session handling, and auto-redirects using NextAuth.
- Developed an admin dashboard for product CRUD operations with dynamic API endpoints and database updates.
- Integrated instant search filtering, mobile-optimized layout, and smooth UI animations for enhanced user experience.

EDUCATION

Metropolitan University, Bangladesh
B.Sc. in Computer Science & Engineering

Bateshwar, Sylhet
June 2024 - Ongoing

EXTRA-CURRICULAR ACTIVITIES

- **Volunteer** : Metropolitan University CSE Fest 2024
- **Volunteer** : Metropolitan University CSE Fest 2025
- **Participant** : Metropolitan University Programming Contest

LANGUAGES

- Bengali: Native
- English: Intermediate
